

Ontario QSO Party

New Category! Youth PLUS

The goal is to engage young people (age 18 and under) in radiosport. There is no need to be a qualified amateur or operate for the whole contest period. All that is required is that a youngster operate with a ham for part of the contest and have fun. Simply add a note to your log along with the additional name(s) for this category. Two plaques will be awarded. Full details will be provided on the website.

Thanks to Evgeny, VA3ATT

Many other generous hams have stepped up with plaques for other categories. Here's your chance to add to your collection!

Join in the fun!
Say "Howdy" to fellow hams near and far!
